GET YOUR SECOND OPINION

1.

Your initial case review will be conducted by a board-certified physician (case manager) – by phone or video.

- ✓ We review your medical records, test results, imaging, and history.
- ✓ We understand your diagnosis, treatment plan, and specific concerns.
- ✓ We identify the right subspecialist(s) for your case based on your condition and needs.
- ✓ We ensure your case is prepared and sent securely to the specialist for a comprehensive review.

RECEIVE YOUR EXPERT SECOND OPINION

2.

A world-leading specialist reviews your case in detail and provides an independent, written second opinion.

- ✓ You receive a detailed report with the specialist's findings, insights, and recommendations.
- ✓ You can request a follow-up video consultation with the specialist to discuss the opinion.
- ✓ Use this expert perspective to make informed decisions about your care.

You're not alone in your healthcare journey.
